- Chameli Devi Public School/ CBSE** 2015
X
7.6

Skills

- Technical Skills: Excel, Power BI, Powerpoint, Material Management
- Soft Skills: People Management

Internships

- Ralson Tyres Limited, 2026 :**
Completed my internship at Ralson Tyres Limited in the warehouse department, where I gained hands on experience in core supply chain operations. During the internship, I observed and analysed warehouse processes to understand material flow, storage optimization and Dispatch planning
- Pegasus Inland Container Depot (ICD, Dhannad), 2025 :**
Worked as intern at ICD, gaining hands on knowledge of container handling, documentation flow, customs

procedures, and logistics coordination. Supported daily operational tasks and improved understanding of import-export process and supply chain activities.

- **Central Lab, 2025 :**
Gained practical exposure to Inventory management, material flow, and coordination of inbound/logistics to support efficient delivery operations
- **Eicher Trucks and Buses (ETB), 2023 :**
Gained hands on experience in engine assembly processes, quality checks, and workflow optimization in a high volume automobile manufacturing environment.

Projects

- **Single Axis Solar Tracker System**
Used Solar Energy Concepts, Mechanical Design, CAD Software
Designed and implemented a solar tracking system that automatically adjusts the panel's angle to follow the sun direction.

Industrial Visits

- Atal Indore City Transport Service Limited- September 2024
- Apple Flexipack Private Limited - October 2024
- Central Lab - December 2024

Languages

- Hindi - Native Proficiency
- English - Professional Proficiency
